SPONSORSHIP GUIDE

LEAD | ADVOCATE | NETWORK | PROMOTE

Christopher Quinn
President & CEO

Letter from our President

The Harrisonburg-Rockingham Chamber of Commerce is pleased to present the 2022 Sponsorship Guide. This guide outlines the major sponsorship opportunities available exclusively to our members.

Opportunities are organized around our four pillars: Lead, Advocate, Network and Promote. It is through leadership, advocacy, networking and promotion that your Chamber offers the tools to help your business, and our community, succeed and grow. Please note that events may change to virtual with very little notice due to current COVID-19 restrictions.

Sponsorship of Chamber-led events increases your visibility, markets your business and promotes your commitment to the greater community. Your company's brand is included in collateral materials to help you lock in valuable public recognition. We offer a variety of sponsorship levels to reach your target audience and align with your marketing budget.

Thank you for your interest and support. Let's continue to work together to help strengthen our community.

About us...

The Harrisonburg-Rockingham Chamber of Commerce is focused on our four pillars of Lead, Advocate, Network and Promote for our members.

We achieve this by working with our members and partners to create an environment where businesses thrive and succeed.

Sponsorship opportunities shall be announced using the Chamber's communication tools, including print, electronic and web-based media.

The Chamber reserves the right to accept or reject sponsorships and reserves the right to amend this policy at any time without notice, provided that any such amendment will not affect sponsorships that have already been paid for. There are additional opportunities to sponsor Chamber programs and events throughout the year which are dependent on new initiatives, membership interests, and/or expansion of current programs and events.

Please contact Sara Wittig at sara@hrchamber.org to discuss your interest in sponsoring/partner options.
