

**2019 SPONSORSHIP AND ADVERTISING
OPPORTUNITIES GUIDE**

LEAD ♦ ADVOCATE ♦ NETWORK ♦ PROMOTE

Dear Chamber Members,

The Harrisonburg-Rockingham Chamber of Commerce is pleased to present the 2019 Sponsorship and Advertising Opportunities Guide. This document outlines the major sponsorship and advertising opportunities available exclusively to our members. Opportunities are organized around our four cornerstones: Lead, Advocate, Network and Promote. It is through leadership, advocacy, networking and promotion that your Chamber offers the tools to help your business and our community succeed and grow.

Sponsorship of Chamber-led events and advertising in Chamber publications increases your visibility, markets your business and promotes your commitment to your Chamber and greater community. Your company's brand is included in collateral materials and print advertising to help you lock in valuable public recognition. We are happy to help guide you through the events and programs that reach your target audience and align with your marketing budget. We offer a variety of sponsorship levels to meet the needs of all Chamber members.

For further information on the Chamber's event sponsorship and advertising opportunities, please contact Sara Wittig, Director of Marketing & Communications, at 540-434-3862 x 108 or sara@hrchamber.org.

Thank you for your interest and support. We look forward to continuing our second century of building our community together.

Sincerely,

Frank M. Tamberrino
Chamber President & CEO
